Website Terms and Conditions

By accessing the website of Access Point Information Canada Ltd. ("Access Point") located at www.estratahub.com ("website") or downloading its contents, you agree to be bound by the terms and conditions set out in this legal notice. If you do not agree to these terms and conditions, do not access this website nor download its content.

Caution About Forward-Looking Statements

This website may include forward-looking statements and information, which reflect the current view of Access Point with respect to, new releases, future events and financial performance. Forward-looking statements generally can be identified by the use of forward-looking terminology such as "may", "will", "expect", "intend", "anticipate", "plan", "foresee", "believe" or "continue" or the negatives of such terms or variations of them or similar terminology. Any such forward-looking statements are based on Access Point's current expectations, estimates, projections and assumptions made in light of its experience and its perception of historical trends. Any such forward-looking statements are subject to risks and uncertainties and Access Point's actual results of operations could differ materially from historical results or current expectations.

Access Point cautions readers that should certain risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary significantly from those expected. The risks that could cause actual results to differ from current expectations include inherent risks in the market, including general economic, regulations and competitor changes; susceptibility of customers in property transaction-related industries; failure of third parties and subcontractors; failure to recruit required management and employees; detrimental reliance on third parties for information; risks of performance on firm fixed price contracts; potential for product liability, failure of Company's reputation; failure to anticipate changes in technology, technical standards and product offerings or comply with the requisite standards; dependency on electronic delivery systems, including data corruption and interruption; inability to effect technology transfer; and changes to legislation relating to consumer privacy.
